

Promise Delivered

I wish to thank your Patel Retail for picking up and delivering the personal items from Guindy Chennai to Pune. I was trying to book the parcels for 15 days but was not able to do. Many parcel services refused to carry personal items, others wanted me to bring the parcels to their godown. Fortunately I was able to contact your Guindy office and things moved fast. The parcel was picked up at my convenience and delivered to Pune within 3 to 4 days as promised.

This is promise delivered. I really appreciate all those involved.

Thanks and regards,

H.G.Patil.
